INDEX

VOLUME 41, 1965

A

Academy Medal, Acceptance of the, R. E. Shope, 403

Academy Medal, Citation and presentation of the, to Richard E. Shope, M.D., P. Rous, 401

Academy Plaque, Citation and presentation of the, to Arthur M. Master, M.D., H. R. Craig, 397

Academy Trustees and Council, Policy statement on the role of government tax funds in problems of health care, 795

Achievements of voluntary health insurance, A. W. Brewster, 1283

Address of the incoming president, J. L. Madden, 393

Adler, Alexandra, The work of Paul Schilder, 841

Adolescence: a subculture in United States society, D. H. Milman, 347

Advances, Medical, in the next ten years: the implications for the organization and economics of medicine, G. James, 14

Aftereffects of paired cardiac excitation in clinical electrocardiograms, A. Pick, R. Langendorf, 606

Aging, Comprehensive care for the, in the outpatient department, F. F. Furstenberg, 98

Aging, The early detection of, see Panel Meeting on Aging, 1087

A look at the future of health care, R. E. Felix, 1338

Air pollution, Committee on Public Health Report, 310

Air pollution, P. J. Lawther, 214

Ambulatory clinic, Role of the hospital: J. H. Knowles, 68

Ambulatory services, Reminiscences and prospectives in, M. M. Davis, 132

Anchor points underlying the planning for tomorrow's health care, E. R. Weinerman, 1213

Annan, Gertrude L., Embarrassment of riches, 1117

Anniversary Discourse of the Academy, Medicine and the City of New York, R. F. Wagner, 380

B

Background for research in health and medical care, G. James, 298

Ball, Robert M., Partnership of government and private agencies in strengthening the financing of health services, 1374

Bartelstone, H. J., Scherlag, B. J., Hoffman, B. F., Cranefield, P. F., Demonstration of variable diastolic compliance associated with paired stimulation of the dog heart, 616

Bartelstone, H. J., see Hoffman, B. F., 498

Becker, Harry, Existing patterns of financing: their effect on organization services, 139

Becker, Harry, Introduction to the 1965 Health Conference, 1202

Becker, Harry, Prefatory remarks, 24th Eastern States Health Conference (1964), 8

Braunwald, Eugene, Ross, J., Jr., Sonnenblick, E. H., Frommer, P. L., Braunwald, N. S., Morrow, A. G., Slowing of heart rate, electroaugmentation of ventricular performance, and increase of myocardial oxygen consumption produced by paired electrical stimulation, 481

Braunwald, E., see Sonnenblick, E. H., 554

Braunwald, Nina S., see Braunwald E., 481; see Tatooles, C. J., 681

Brewster, Agnes W., Achievements of voluntary health insurance, 1283

Brown, Norton S., Introductory remarks, 24th Eastern States Health Conference (1964), 5

Brown, Ray E., A hospital view: problems of fragmentation, 37

Burns, Eveline M., Role of government in health services, 753

Busse, E. W., Early detection of aging, 1090

Buttenwieser, Benjamin J., Consumer's role, 54

C

Capacity of the United States to provide and finance expanding health services, J. T. Dunlop, 1325
Cardiac slowing induced by external coupled pacing, H. N. Uhley, L. M. Rivkin, 565
Career Scientists of the Health Research Council of the City of New York, 205
Abstracts of papers by, 218-247
Career scientists award program: fifth year, G. S. Mirick, 208
List of career scientists, 248
Changing roles of government in health affairs: implications for the future, H. E. Hilleboe, 1343
Chapin, Sidney E., Private physician's view: problems of relationship, 44
Chardack, William M., Gage, A. A. and Dean, D. C., Paired and coupled electrical stimulation of the heart, 462
Chasis, Herbert, Conference on cor pulmonale, Foreword to, 919
Cherkasky, Martin, New Dimensions for the hospital in meeting community needs: the relationship of public and voluntary hospitals, 125
Chesley, Leon C., Renal function in pregnancy, 811
Children, Gaps in the nation's services for, J. B. Richmond, 1237
Chronic illness, services for, Gaps in the nation's, C. F. Ryder, 1227
Circulation in patients with cor pulmonale, Disturbances in the, M. I. Ferrer, 942
Citation and presentation of the Academy Medal to Richard E. Shope, M.D., P. Rous, 401
Citation and presentation of the Academy Plaque to Arthur M. Master, M.D., H. R. Craig, 397
Clinical and physiologic implications of thalamic surgery for dystonia and torticollis, I. S. Cooper, 870
Clinical and physiologic manifestations of emphysema, R. V. Ebert, 920
Clinical use of paired electrical stimulation of the heart, Observations on the, R. Langendorf, A. Pick, 535
Closing the gaps in the nation's health services for mothers and children, A. J. Lesser, 1248
Committee on Public Health Reports
Air pollution, 310
Drug addiction—III, 825
Health education, its present status, 1172
Medical examination in the women's house of detention, Letter to G. James, 1104
Medical indications for contraceptive counseling, 410
Resurgence of Venereal disease—II, 820
Therapeutic abortion, 407
Tobacco and health, 404
Committee on Special Studies, Eastern States Health Conference, 24th, 1964, Expanding role of ambulatory services in hospitals and health departments, 5-157
Community health care programs, Coordinated, W. Wenkert, 92
Community hospital, The, as a center for medical care planning, H. N. Willard, 86
Community needs, New dimensions for the hospital in meeting, M. Cherkasky, 125
Comparative hemodynamic effects of paired and single electrical stimulation of the heart: observation in animals with complete heart block and myocardial failure, C. J. Tatooles, N. S. Braunwald, 681
Comprehensive care for the aging in the outpatient department, F. F. Furstenberg, 98
Concepts of patient care for the 1960's, J. E. C. Walker, 118
Conferences
Closing the gaps in the availability and accessibility of health services, (The 1965 Health Conference), Harold Jacobziner, *Chairman*, 1197-1401
Cor pulmonale, Dickinson W. Richards and André F. Cournand, *Chairmen*, 919-1008
Expanding role of ambulatory services in hospitals and health departments (24th Eastern States Health Conference, 1964), Harold Jacobziner, *Chairman*, 5-157
Paired pulse stimulation and postextrasystolic potentiation in the heart, Paul F. Cranefield, *Chairman*, 417-570; 575-747
Consumer's role, The, B. J. Buttenwieser, 54
Contraceptive counseling, Medical indica-

tions for, Statement by Committee on Public Health, 410
Cooper, Irving S., Clinical and physiologic implications of thalamic surgery for dystonia and torticollis, 870
Coordinated community health-care programs, W. Wenkert, 92
Cor pulmonale in musculoskeletal abnormalities of the thorax, G. M. Turino *et al.*, 959
Coronary heart disease, Hearing loss and, S. Rosen, O. Pekka, 1052
Coupled pacing technique, Studies on, and some comments on paired electrical stimulation, P. L. Frommer, 670
Craig, Howard Reid, Citation and presentation of the Academy Plaque to Arthur M. Master, M.D., 397
Cranefield, Paul F., Force of contraction of extrasystoles and potentiation of force of the postextrasystolic contraction: a historical review, 419
General discussion following the conference on paired pulse stimulation, 712
Introduction (to conference on PPS), 417
Summary of and comment on the conference, 736
Cranefield, P. F., see Bartelstone, H. J., 616
Cross-cultural view of ego dynamics, A, G. Murphy, 268, 335
Cutaneous lipids, Possible clinical applications of the study of the, V. R. Wheatley, 353

D

Daggett, W. M., see Sarnoff, S. J., 602
Damato, A. N., see Lister, J. W., 688
Davis, Michael M., Reminiscences and prospectives in ambulatory services, 132
D'Alonzo, C. A., Some philosophic concepts and experience with respect to disease and disability, 286
De Bakey, Michael E., Reviewing recommendations of the president's commission on heart disease, cancer and stroke, 1333
Degeneration and regeneration of the pancreas, P. J. Fitzgerald, L. Herman, 804
Demonstration of variable diastolic compliance associated with paired stimulation of the dog heart, H. J. Bartelstone *et al.*, 616
Denny-Brown, D., Nature of dystonia, 858
Dexter, Lewis, Thromboemboli as a cause of cor pulmonale, 981
Developing role of educational research in undergraduate medical education, E. B. Hutchins, 257
Diastolic compliance, variable, Demonstration of, associated with paired stimulation of the dog heart, H. J. Bartelstone *et al.*, 616
Dilemmas in the practice of surgery, Moral dramas and, A. M. Dogliotti, 1107
Disease and disability, Some philosophic concepts and experience with respect to, C. A. D'Alonzo, 286
Disturbances in the circulation in patients with cor pulmonale, M. I. Ferrer, 942
Dock, William, External monitoring of the effects of paired pacing on left ventricular function, 560
Dogliotti, Achille Mario, Moral dramas and dilemmas in the practice of surgery, 1107
Dole, Vincent P., Thoughts on narcotics addiction, 211
Drug addiction, L. C. Kolb, 306
Drug addiction—III, Committee on Public Health report, 825
Drug therapy in parkinsonism, A review of, R. C. Duvoisin, 898
Dunlop, John T., Capacity of the United States to provide and finance expanding health services, 1325
Durrer, D., see Meijler, F. L., 575
Du Vigneaud, Vincent, Hormones of the posterior pituitary gland with special reference to their milk-ejecting ability, 802
Duvoisin, Roger C., Review of drug therapy in parkinsonism, 898
Dystonia, The nature of, D. Denny-Brown, 858

E

Early mention of the stethoscope (Locock 1821), S. Jarcho, 374; Correction, 836
Eastern States Health Conference, 24th, of the Committee on Special Studies: Expanding role of ambulatory services in hospitals and health departments, 5-157
Ebert, Richard V., Clinical and physiologic manifestations of emphysema, 920
Effects of artificially induced paired and coupled beats, L. N. Katz, 428
Effects of postextrasystolic potentiation on normal and failing hearts, B. F. Hoffman *et al.*, 498

Effects of sustained paired stimulation of the heart in normal dogs and in dogs following coronary artery ligation, D. H. Singer *et al.*, 652

Ego dynamics, A cross-cultural view of, G. Murphy, 268, 335

Electrical stimulation of the heart, Paired and coupled, W. M. Chardack *et al.*, 462

Electroaugmentation of human and cat papillary muscle produced by paired electrical stimulation, E. H. Sonnenblick *et al.*, 554

Electroaugmentation of ventricular performance, Slowing of heart rate, and increase of myocardial oxygen consumption produced by paired electrical stimulation, E. Braunwald *et al.*, 481

Embarrassment of riches, G. L. Annan, 1117

Emphysema, Clinical and physiologic manifestations of, R. V. Ebert, 920

Endocrine disorders produced by nonendocrine malignant tumors, B.A. Sachs, 1069

Epilogue, Address of the retiring president, H. B. Keyes, 387

Epithelial and fibroepithelial tumors, H. Pinkus, 176

Esotropia, Iris cyst prevention in miotic therapy of, A. A. Gold, 370

Existing patterns of financing: their effect on organization of services, H. Becker, 139

Experience with paired pacing in experimental canine heart failure, W. J. Kerth, J. J. Kelly, Jr., 646

External coupled pacing, Cardiac slowing induced by, H. N. Uhley, L. M. Rivkin, 565

External monitoring of the effects of paired pacing on left ventricular function, W. Dock, 560

Extrasystoles, Force of contraction of, and potentiation of force of postextrasystolic contraction, P. F. Cranefield, 419

F

Fear communications in the acceptance of preventive health practices, H. Leventhal, 1144

Felix, Robert E., A look at the future of health care, 1338

Ferrer, M. Irené, Disturbances in the circulation in patients with cor pulmonale, 942

Fibroepithelial tumors, Epithelial and, H. Pinkus, 176

Fisher, Vincent J., see Kavaler, F., 592

Fitzgerald, Patric J. and Herman, Lawrence, Degeneration and regeneration of the pancreas, 804

Force of contraction of extrasystoles and the potentiation of force of the postextrasystolic contraction: a historical review, P. F. Cranefield, 419

Fox (Howard) Memorial Lecture, Third, see Pinkus, H., 176

Fox (Howard) Memorial Lecture, Fourth, see Wilson, J. W., 1125

Frommer, Peter L., Studies on coupled pacing technique and some comments on paired electrical stimulation, 670

Frommer, P. L., see Braunwald E., 481

Fungous diseases, Some immunologic aspects of, J. W. Wilson, 1125

Furst, Sidney S. and Ostow, Mortimer, Psychodynamics of suicide, 190

Furstenberg, Frank F., Comprehensive care for the aging in the outpatient department, 98

G

Galst, G., see Singer, D. H., 652

Gaps in the nation's services for children, J. B. Richmond, 1237

Gaps in the nation's services for chronic illness, C. F. Ryder, 1227

General discussion following conference on paired pulse stimulation, P. F. Cranefield, 712

Gilmore, J. P., see Sarnoff, S. J., 602

Ginzberg, Eli, Political economy of health, 1015
